

# April 2023 GOP Newsletter

The past month has been extremely busy with our committees beginning to hit the road running.

**Voter Registration Committee** has held an event in Wellton, another set for Firearms Unknown on Saturday April 22nd 9 am to 1 pm. We are purchasing a booth at the Arizona Business Womens Association (ABWA) at the Civic Center on May 6th. Volunteers are already lined up to man both events. Ruth and all in the committee have done a great job organizing and finding locations to hold registration events. Thanks.

At the **Fair Booth** we registered 17 voters with several being Democrats and changing to the Republican Party. With new laws in place allowing candidate signatures far in advance of 2024 election, we were able to get 303 signatures for our top signature getter candidate and a significant amount for the rest running in our LDs or Supervisor districts.

Great teamwork by everyone who pitched in pulling a shift at the Republican Booth.

## Gaining ground in Yuma County:

Registered	Democrats	Republicans
November 22	36,069	34,476
January 23	34,579 -1490	35,238 +752
April 23	34,502 -77	35,358 +120

Our **Young Republican committee** is moving along with their members attending our Lincoln Day Dinner, and fair booth to help us. More to come.

**Events Committee** had to put off our first Trunk and Tusk event due to scheduling conflicts but Jeff Dewit, Az GOP Chairman, will be speaking at our May County GOP meeting on the 23rd. Rep Carbone and Dunn will be speaking at our April 25th meeting. Superintendent Horne will be conducting a Town Hall at Yuma City Hall on May 2nd at 4:15 pm in the Council Chamber which is open to the public.

**Tentative date** for event in Somerton or San Luis is May 12th at 6 pm with Rep Pena speaking. Event will be held at a location TBD.

Yuma County Tea Party is having a Tri-Tip dinner (\$20) at Britain Farms on April 22nd at 5 pm to raise money for their Trolley project which will benefit all of us.

There are a number of issues going on around LD 3, 13, 23 and MCRC that we will discuss in our April meeting next week, but they will resolve those. We need to stay focused on our goals and stay out of all the rumors and sides on these issues and concentrate on winning in November 2024.

Thank you for all your support and everything you are doing!!

Greg
