

Fellow Republicans,

I wanted to take a few minutes to thank all of you for voting in the last election and every individual for their hard work volunteering to assist our candidates and voters in the 2022 elections. I also want to thank the Precinct Committeemen (PC's) for their vote in the last Yuma County GOP elections.

Russ Jones and I are starting our turnover as he steps back from his previous 6 years as chairman. I want to thank him for those 6 years working for all of us and the Republican party. Our new Executive Committee has Tanya Wright as 1st Vice Chair, Russ Clark as 2nd Vice Chair, Terre Munk as Treasurer, and Bonnie Knight as Secretary. We have a good crew and all are getting ready to begin to work towards making the 2024 elections more successful for our party.

Our mission is to register more Republicans to vote and then ensure we "get out the vote" in 2024. To do this, we need everyone's support. We are looking for more volunteers to be active in the party and to recruit more Republicans to take on the role of Precinct Committeemen. We will be forming several new groups that we need volunteers to actively engage in registration and getting out the vote. Having more Yuma County Republicans volunteer as PC's allows us a greater say in how the State Party is run as we get one vote per PC. We have quite a few openings in our Precincts and could use your assistance in filling them.

Our next organizational meeting is going to be on January 9th at the Yuma Community Food Bank on 24th Street in Yuma. The meeting is from 6-7 pm. If you want to help us and get more involved for the 2024 election to move our country in a better direction, please attend. If you want to invite a friend to become involved and join the Party or become a Precinct Committeemen, we can have them fill out the form at the meeting.

After the January 9th meeting the next event will be our popular Lincoln Day Dinner on February 10. Stay tuned for more information on it.

For those that were elected as State Committeemen we will probably have another meeting towards the end of January to get ready as a group for the state convention on January 28th.

We are all looking forward to working for you over the next 2 years and hope you will join us in improving the GOP Party in Yuma County. This is a team effort.

Respectfully,

Greg Wilkinson
