

## The Republican philosophy...

- We BELIEVE **the strength of our nation** lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.
- We BELIEVE in **equal rights, equal justice and equal opportunity** for all, regardless of race, creed, sex, age or disability.
- We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, **economic growth and prosperity**.
- We BELIEVE government must practice **fiscal responsibility** and allow individuals to keep more of the money they earn.
- We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that **the best government is that which governs least**.
- We BELIEVE the most **effective, responsible and responsive government** is government closest to the people.
- We BELIEVE Americans must **retain the principles that have made us strong** while developing new and innovative ideas to meet the challenges of the changing times.
- We BELIEVE Americans value and should **preserve our national strength and pride** while working to extend peace, freedom and human rights throughout the world.
- FINALLY, We BELIEVE the Republican Party is the best vehicle for translating these ideals into **positive and successful principles of government**.
