The Voter Registration Committee has a lot of work to do. There is a new political party in Arizona. It is called the No Labels Party. This party will take votes from the Republican, Democrat and Independent Parties.

The cities of Dateland, Gadsden, Roll, San Luis, Somerton, Tacna, Wellton, Yuma and the Fortuna/Foothills area. Gilbert and Carla will be going to various locations, to the East (Dateland, Roll, Tacna, Wellton). Wayne Russell will be visiting various locations in Yuma. Diana and Michael Hudson will be researching possible locations in the Fortuna/Foothills area. Valentine and Malba may be able to help with locations in San Luis and Somerton. Voter Registration will rotate on a monthly basis; through these areas. Summer is coming, Wayne Russell suggested mornings, due to the summer heat.

Voter Registration will be working alongside the Young Republican Committee. GOP Chairman Greg Wilkinson spoke regarding the opportunity of getting Arizona Western College students registered.

Events/Locations were discussed where the GOP Booth can be set up for voter registration. Sprague, Gun Show, Sportsman Warehouse, ABWA Women's Expo, Juneteenth Celebration, July 4th Celebration, Hamburger Event Somerton and the Yuma Palms Farmer's Market.

The 1st event will be the Yuma Fair (April 4-9th). A sign-up sheet will be at the GOP next GOP Meeting, March 28. Will be asking for Volunteers, from all Yuma Groups. Volunteers to work at least 2 hours and more if they chose.
